Jim

I assume you guys are reaching out to DOH to try and see if Graber can make the 26th? Catherine and I can both travel if necessary.

Also any word back from Justin on Jackson Steel?

Doug,

Will hold July 26th. Hopefully it will not be put off.

Stan Carey, Superintendent Massapequa Water District

Hi

At our May 10 meeting we decided to see if we could hold a July coordination meeting that included representatives from DOH. Calendars are quite busy in July; the only date that would appear to work is July 26. However, it still needs to be determined if NYSDOH representatives can make this date. We also wanted to share the "white paper" with NYSDOH in advance of the meeting; it looks as though the white paper is targeted for completion in mid-July.

If you could hold July 26 as a possible meeting date that would be appreciated. If the meeting cannot be held in July, we would look at dates in early September (note that at the last meeting calendars were pretty much busy all of August).

Thanks

Doug
